

Bonaire Bites Catering Guide

Our catering team serves events of 20 to 200 guests across Bonaire. Every menu is built around the day's fresh catch and local produce. Orders must be placed at least 7 days before the event.

Payments and cancellations

A deposit of 30 percent confirms a catering order. The remaining balance is due on the day of the event. Cancellations made more than 72 hours ahead receive a full refund of the deposit.
